

2 October 2013

**Sent on behalf of Maj Gen Carr**

---

Region/Wing Commanders:

We all recognize the need to prepare the next generation of cyber security experts as a matter of national security. CAP is playing a major part in the effort to introduce and train young people for this important, and high-paying, cyber security career path.

We need YOUR help in order to reach our goal for the 2014 CyberPatriot competition participation. Please read the important letter from CAP NHQ with new CyberPatriot support information for squadrons found at

[http://capmembers.com/media/cms/CAP\\_CyberPatriot\\_Call\\_for\\_CyberPatr\\_E6C88A3C\\_C36FB.pdf](http://capmembers.com/media/cms/CAP_CyberPatriot_Call_for_CyberPatr_E6C88A3C_C36FB.pdf)

**Registration closes 10 October**, so please disseminate this e-mail to all your squadrons ASAP with your strong encouragement to register a squadron team. We will reach the goal in CAP's Strategic Plan if every wing registers at least two more teams. Please help us make that happen! Thank you.

Charles L. Carr, Jr., Maj Gen, CAP  
National Commander
